

LTI CLIENT LIBRARIES

August, 2009

Listed below are libraries with which LTI has worked in the past five years. You may want to contact the librarian concerning LTI's database services. Each reference includes the local system, approximate date the work was completed, contact person, address and telephone number, size of the output database (i.e., after duplicate resolution), and specific services received by the library. Library databases shipped within the last two months have probably not yet been loaded.
