

A heading is listed as "partial validated" if \$a linked to an authority record but any other subfield did not (i) link to an authority record or (ii) validate as a proper use of a valid floating subfield.

47,060 Headings beginning with "X" are name/title (1xx,7xx) headings
 5,189 Headings beginning with "Y" are series (4xx,8xx) headings
 11,429 Headings beginning with "6" are LCSH subject headings
 133 Headings beginning with "G" are Genre/Form subject headings

"L" in 1st column = LTI heading link
 Unvalidated subfields are enclosed between " [" and "]" markers
 The digit in the 3rd column is the number times the heading
 is used (blank = 1 use, "+" = 10 or more uses)
